- **Paddington Guard**

“I've got him here, he's all right. It's a new patient. I thought I'd bring him round myself; then he couldn't slip away. There he is, all safe and sound. I must go now, Doctor; I have my dooties, just the same as you.”

- **Plainclothes Policeman**

“I am for west, there are several quiet little villages up there.”

- **Station Master**

“No, sir, Dr. Becher is an Englishman, and there isn't a man in the parish who has a better-lined waistcoat. But he has a gentleman staying with him, a patient, as I understand, who is a foreigner, and he looks as if a little good Berkshire beef would do him no harm.”
